

## Happy Paws Daycare and Kennel Customer Questionnaire

For the safety of our clients and your pet it is of the utmost importance that you answer these questions truthfully so that Happy Paws may make the proper choices needed for the care of all parties involved.

- 1) How many times has your dog gotten out of your personal control? Was it in an open area, and what did you do to get them under your control again?
  
- 2) Has your dog ever had a problem with aggression if so over what? Example: (human, dog vs. dog, dog vs. food, toy). What was the outcome?
  
- 3) Is your dog a digger, a jumper, a biter, tried to get out of an enclosed area to be with you and succeeded? If yes to any of these or something similar please explain the situation.
  
- 4) Please describe your dog's basic personality.
  
- 5) Does your dog understand basic commands (here, sit, stop, and no...)?
  
- 6) Does your dog have any known allergies?
  
- 7) What is your dog's normal feeding schedule?
  
- 8) Has your dog ever had to defend itself against an aggressive animal? If so please describe the events that took place?
  
- 9) Please list any injuries, medical problems, or anything that may be related to the health and wellbeing of your pet while in our care.

Thank you for your truthfulness thus far we hope that the information provided will lead to a positive evaluation and a new happy paws pal.
